

FLEURIE

2024

Fleurie's vineyards stretch across rolling hills and valleys before gently descending toward the Saône plain. Thanks to the velvety texture of its wines, Fleurie is often considered the most feminine cru of Beaujolais. The nose charms with aromas of small berries alongside subtle oak-aged smoky notes. The palate is refined, elegant, and precise, with bright berry notes throughout.

Type: Gamay

Vine pruning: Goblet pruning according to beaujolais tradition

Average age of the vineyard: 55 years

Vinification: Harvesting and hand sorting

Crate harvesting

Destemming 100%

Alternate grape-treading, pump over, and delestage

Cold maceration

Natural fermentation three weeks
